Overview

When God made you, He already had plans for your life. Your future is already prepared; you just have to live long enough to see it come to pass. It doesn't matter what you've gone through in your past because, if you're determined that it won't rob you of your tomorrow, you will see the goodness of the Lord in the land of the living.

This month, let's embrace new possibilities by believing God for our future.
